Volume 20 Issue 5

FROM THE PRESIDENT:

Well boys and girls, ITS SHOW TIME AGAIN!! Well, pretty close anyway. Our show dates. Are Sept 7, 8, and 9. This is a three-day show, but next spring's show will be two days on Friday and Saturday, April 19-20, 2019. The spring show is a trial two-day show, and after its over, we will be voting on whether to keep it that way or not.

Larry reminded me of the silent auction coming up, so look around and bring lots of good stuff. As you know this is a good money maker for our club, and everyone seems to enjoy the competitive bidding. Items collected to date include two classic heavy glass-top patio tables, an authentic ammo box, two hand-held battery vacuums, and assorted items.

As you know, we are hosting the regional EDGE&TA show this year, and we've been asked to host it again next fall. Seems like none of the other branches want to host the regional show. I checked with our board members and they all agreed to host the regional show again in 2019.

Thanks to all who have come out to mow, weed-eat, spray and do electrical, plumbing, and general maintenance.

A few of our members need to be on your prayer list. I'm sure there are more, but these are the ones I'm aware of.

Clyde Brummett (Holding his own while he waits for surgery.)

Anthony Hartfield (Up and about some now.)

Herman Smith (Already working at show grounds.)

Thank you.

Glenn T. Smith

President
